JIBIN KRISHNA

Creative Visualiser & Illustrator

ABOUT ME

I am an Illustrator and graphic designer with innovative ideas and a distinctive visual style. I have over five years of experience developing designs for the web, print, film, illustrations, layout, and branding. My strength lies in strong attention to detail and the ability to create appealing designs. I like being part of a creative and passionate team. I love to learn new things, and be creative in every aspects of my life :)
