SKILLS

- Project Management
- Business Development
- Operations Management
- Project Management
- Labour Management
- Budgeting
- Business to Business Sales

WORK EXPERIENCE

Enterprise Manager, Ma Modamamba Dairy LLP

2021 – Present

- I skillfully oversaw all aspects of operations, including sales, labor management, and daily activities.
- Utilized astute problem-solving abilities to identify and address various challenges, employing analytical tools to deliver effective solutions.
- Refined organizational and communication proficiencies through academic coursework and volunteer involvement, contributing to a nuanced understanding of management principles.

Senior Civil Engineer, Apex Nirman India Pvt Ltd

2017 – 2021

- Meticulously monitored contract work to ensure compliance with design plans and specifications, ensuring timely adherence to quality assurance targets while keeping projects on schedule and within budget.
- I collaborated effectively with civil technicians to acquire essential project equipment and updated necessary maps, drawings, and blueprints to streamline execution.

EDUCATION

MBA, Indian Institute of Management, Visakhapatnam

2021 - 2023

- My coursework in project management, managing enterprise, marketing management, and digital marketing has given me a strong foundation in business operations.
- Leveraging the insights gained from my MBA coursework, I have successfully implemented innovative strategies for project planning and customer engagement, resulting in improved outcomes and enhanced customer satisfaction.

B. Tech Civil Engineering, Andhra University

2012 - 2017

During my internship with AECOM Chennai Metro, I had the opportunity to work in tunnel construction and gained valuable hands-on experience in the field, which helped me develop a deeper understanding of construction methods and project management principle.
