## EXPERIENCE

### ANIMATOR

HURIX DIGITAL - HURIX SYSTEMS PRIVATE LIMITED

July 2021 - Aug 2023

- I skillfully operated Adobe After Effects, employing techniques like keylighting and motion graphics to synchronize visuals with audio cues.
- I served as a Visual Storyboarding (VSB) designer, contributing to captivating storyboards for a period of time.
- I managed diverse projects, overseeing both the Scriptwriting (ID) and Visual Storyboarding (Designer) teams, ensuring smooth collaboration and project execution.
- I was recognized as the "Star of the Month," a testament to my consistent, high-quality contributions.
- In 2023, I led a team at **Carnegie Learning**, showcasing my leadership abilities and guiding the team towards success.
- I actively participated in 14 live E-learning video projects for various universities, demonstrating my expertise in delivering educational content through dynamic visuals.

- ▶ Rotman School of Management (ROT)
- ▶ Carnegie Mellon University (CMU)
- ▶ Wharton School of the University of Pennsylvania (WH Rema)
- ▶ Amity University Noida (Amity)
- ▶ Rotman School of Management (ROT-SUST)
- ▶ Indian School of Business (ISB)
- ▶ Indian Institute of Technology Delhi (IITD)
- ▶ Indian Institute Of Management-Kozhikode (IIMK)
- ▶ Simple learning
- ▶ Texas A&M University Central Texas (TAMUCT)
- ▶ Temple University (ITSE)
- ▶ Simple learning (MIT)
- ▶ Western Governors University (BSHG)
- ▶ **Carnegie Learning**

### MOTION GRAPHIC ARTIST

AMBIPALM RACING TO SAVE LIVES

Feb 2021 - May 2021

- Proficiently utilizing Adobe Illustrator, Adobe After Effects, and Adobe Premiere Pro, I crafted engaging 2-D motion graphic advertisements tailored for social media platforms.
- Within the realm of Graphic Design, I've skillfully produced infographics, captivating social media posts, and cohesive social media timelines.

### VFX AND MOTION GRAPHIC ARTIST

EDOREAL LEARNING SOLUTIONS PVT LTD

Jan 2020 - Jan 2021

- My expertise encompasses Adobe Illustrator, Adobe After Effects, Adobe Premiere Pro, and basic skills in C4D. I've produced comprehensive E-learning engineering 2D videos, impactful infographics, and effective marketing videos. As a team leader, I managed a group of three motion graphic artists and one graphic designer.
- In Graphic Designing : I have created - infographic, brochures, back drop, social media post, and social media time-line.
- Within the realm of Graphic Design, I've adeptly created diverse assets such as infographics, brochures, backdrops, and social media content, including posts and timelines.
- My Motion Graphics portfolio includes a spectrum of content: from dynamic Commercial and Promotional videos to engaging Introduction and Informational videos.
- I have a track record of excellence in Video Editing, including award-winning videos, compelling Introduction pieces, and informative content.
- My skills extend to 3D Modeling, encompassing a range of objects and elements, with experience as a team leader, I've successfully guided projects to fruition.

### VFX, MOTION GRAPHIC ARTIST, FACULTY

CREATIVE MENTORS (LV PRASAD LABS)

Nov 2019 - Jan 2020

- I've mastered various 2D animation software suites, assuming roles from team leadership to maintaining a successful YouTube channel.
- I also served as a VFX faculty, imparting my expertise and knowledge in the field.
