

## ABOUT ME\_

As an experienced Graphic Designer with a demonstrated history of working in the industry, I possess a diverse skill set that includes branding, logo design, print media, social media branding, and video editing. With a Bachelor of Arts degree in Animation & VFX from Arena Animation, I have honed my creative abilities to deliver exceptional designs that stand out. Whether it's a new logo, a branding campaign, or a video project, I bring a strong passion for arts and design to every project I work on.
