About Me

I am a dedicated Graphics Designer with a strong professional background in the Game and Graphics Industry, accumulating 6.10 years of experience. Currently serving as a Sr. Graphic Designer at Ripplr, my focus encompasses a wide range of disciplines, including Graphic Designing, Game Art, Video Editing, and Presentation Designing. Additionally, I possess skills in Motion Graphics, Photography, and Videography, enabling me to bring a diverse set of abilities to any creative project.

Within creative and collaborative environments, I thrive by combining hard work with a genuine passion for crafting exceptional graphics. I highly value the opportunity to leverage my expertise and leadership to elevate team performance. Notably, I have gained valuable experience while working with prestigious organizations such as Disney and OSMO Games, which have further enhanced my abilities to deliver outstanding results.

My goal is to contribute my talents to an organization that fosters innovation and nurtures a culture of design excellence. As a Graphics Designer, I am committed to elevating brands and creating visually captivating experiences that resonate with global audiences.
