PROFILE

I'm an enthusiastic and hard worker with a knack for optimizing operations. I excel in forecasting, inventory management, and problem-solving. My strong communication and leadership skills make me a valuable asset in cross-functional teams. I'm eager to contribute to operational excellence in a new role.

EMPLOYMENT HISTORY

Transportation executive, AMAZON Hyderabad

I oversee daily supply chain operations for Amazon India, ensuring seamless processes to enhance seller and customer satisfaction.

I have spent two years at Amazon, where I have been the driving force behind smooth supply chain operations. I successfully managed two Amazon Prime Days and handled two Diwali and Dussehra peaks, ensuring impeccable warehouse performance under high-pressure conditions. My expertise lies in optimizing logistics and achieving results. Ready to take on new challenges and contribute to operational success.

Control Manager, MOHANA SRI CNC WIRECUTTING Hyderabad

I dedicated a year to working in this company, where I managed all company operations. My efforts yielded excellent results, maintaining consistent order reception and delivery without any disruptions.

INVENTORY MANAGEMENT , SHANTI CONSTRUCTIONS Hyderabad

I have interned at Shanti constructions for 6 months, managing inventory and successfully delivering 2 major projects on time and with seamless execution.
