WORK EXPERIENCE

ROOT CODE TECHNOLOGIES PVT.LTD

Graphic Designer/ Video Editor/ VFX

Managed all activities pertaining to brand management, print design, long document production, design updates and project management.

- Comes up with unique graphic design for clients.
- Works closely with the director, copywriters and other members of the marketing team to continuously level up the brand and develop new products.
- Recommended and consulted with clients on the most appropriate graphic design options based on their overall marketing goals.

BYJU'S (THINK AND LEARN PRIVATE LIMITED)

Graphic Designer/ UI/UX (Wireframing)/ Video Editor

Developed numerous marketing programmes (newsletters, infographics, presentations, background design, icon design, UI/UX (Wireframing) and advertisements) and guaranteed that they exceed the expectation.

- As a background designer for a storybook, my role is to create visually captivating and immersive settings that enhance the narrative and bring the story to life.
- Detailed wireframes with visual design elements, providing a closer representation of the final product's look and feel
- Maintain a design balance between simplicity and conveying the essence of each concept.
